FOREWORD

As one of 18 control states, the Michigan Liquor Control Commission's guiding philosophy is to make alcoholic beverages available while regulating their sale and distribution in order to protect the rights and interests of Michigan citizens. The Commission believes this can be accomplished most effectively through selective licensing and strict enforcement. The observance of all liquor laws and the rules of the Commission is in the best interest of everyone - - - the public, the licensees and the alcoholic beverage industry.

This publication contains the Liquor Control Code statutes and the administrative rules of the Liquor Control Commission. In addition, it contains certain other laws which are often used by liquor licensees, such as those regarding youth employment. The laws and rules contained in this printing are those in effect as of April 21, 2011. However, because laws and rules are constantly changing, subscriptions for updates to this publication are also available (*use the form on the next page*). Any colored pages which may be included with this book are amendments to the original printing and should replace pages with the same number.

IMPORTANT: Information on obtaining a license to sell alcoholic beverages at retail or the transfer of an existing license is available from the Commission's Lansing Office or on their website at www.michigan.gov/lcc. Applicants should not invest any money nor commit themselves by any binding agreement in the expectation of receiving a license until officially notified of the Commission's approval. Applicants are also warned against payment of any money to persons who claim they can obtain a license. This is a form of deception and fraud and persons soliciting and/or accepting money under such pretenses will be prosecuted.

- (a) After processing an order from a retailer, an authorized distribution agent shall contact a retailer to confirm the quantity of cases or bottles, or both, and the exact dollar total of the order.
 - (b) The authorized distribution agent shall have the responsibility to coordinate with the retailer the date and time a driver is scheduled to deliver the order to a ferry transport dock, shall arrange any ferry, drayage, or other appropriate service, and shall pick up the retailer's payment at that time.
 - (c) The ferry transport company or company representing any other form of conveyance shall take the retailer's payment to the mainland dock and give that payment to the authorized distribution agent's driver.
 - (d) The ferry transport company or company representing any other form of conveyance shall transport the order to the drayage or other appropriate company at the island dock for immediate delivery to the retailer.
 - (e) The drayage or other appropriate company shall deliver the order to the retailer.
- (6) The authorized distribution agent is responsible for the payment of all transportation and delivery charges imposed by the ferry, drayage, or other conveyance company and is responsible for all breakage and any shortages, whether attributable to the ferry, drayage, or other conveyance company or any combination of those companies, until the order is delivered to the retailer's establishment. This subsection does not in any way prevent the authorized distribution agent from seeking reimbursement or damages from any company conveying the authorized distribution agent's product.
- (7) Except as otherwise provided in subsection (4), an authorized distribution agent shall not charge a delivery fee or a split-case fee for delivery of spirits sold by the commission to a retailer.
- (8) An authorized distribution agent or prospective authorized distribution agent shall maintain and make available to the commission or its representatives, upon notice, any contract or written agreement it may have with a supplier of spirits or other authorized distribution agent for the warehousing and delivery of spirits in this state.
- (9) For any violation of this act, rules promulgated under this act, or the terms of an order appointing an authorized distribution agent, an authorized distribution agent shall be subject to the suspension, revocation, forfeiture, and penalty provisions of sections 903(1) and 907 in the same manner in which a licensee would be subject to those provisions. An authorized distribution agent aggrieved by a penalty imposed by the commission may invoke the hearing and appeal procedures of section 903(2) and rules promulgated under that section.

- (10) A specially designated distributor may sell to an on-premises licensee up to 9 liters of spirits during any 1-month period and an on-premises licensee may purchase, collectively from specially designated distributors, up to that amount during any 1-month period. Records verifying these purchases shall be maintained by the on-premises licensee and be available to the commission upon request.
- (11) An authorized distribution agent shall demonstrate that it has made a good faith effort to provide employment to those former state employees who were terminated due to the privatization of the liquor distribution system. A good faith effort is demonstrated by the authorized distribution agent performing at least the following actions:

If the commission determines that the complaint is valid, the violation may be treated as a violation of this act and the authorized distribution agent may be subject to the suspension, revocation, forfeiture, and penalty provisions of sections 903(1) and 907.
- (13) In addition to paying a vendor of spirits the acquisition price for purchasing spirits, the commission may pay a vendor of spirits an additional amount of not less than \$4.50 and not more than \$7.50 for each case of spirits purchased as an offset to the costs being incurred by that vendor of spirits in contracting with an authorized distribution agent for the warehousing and delivery of spirits to retailers. The payment described in this subsection shall not be included in the cost of purchasing spirits by the commission and shall not be subject to the commission's markup, special taxes, or state sales tax. The per-case offset established by this subsection may be increased by the state administrative board each January to reflect reasonable increases in the authorized distribution agent's cost of warehousing and delivery. As used in this subsection, "case" means a container holding twelve 750 ml bottles of spirits or other containers containing spirits which are standard to the industry.

Sec. 305.

- (1) The purpose of this section is to provide a structure for the business relations between a wholesaler of wine and a supplier of wine. Regulation in this area is considered necessary for the following reasons:
 - (a) To maintain stability and healthy competition in the wine industry in this state.
 - (b) To promote and maintain a sound, stable, and viable 3-tier distribution system of wine to the public.
 - (c) To recognize the marketing distinctions between beer and wine.
 - (d) To promote the public health, safety, and welfare.
- (2) As used in this section, unless the context requires otherwise:
 - (a) "Agreement" means any agreement between a wholesaler and a supplier, whether oral or written, whereby a wholesaler is granted the right to offer and sell a brand or brands of wine sold by a supplier.
 - (b) "Ancillary business" means a business owned by a wholesaler, a stockholder of a wholesaler, or a partner of a wholesaler the primary purpose of which is directly related to the transporting, storing, or marketing of the brand or brands of wine of a supplier with whom the wholesaler has an agreement; or a business owned by a wholesaler, a stockholder of a wholesaler, or a partner of a wholesaler which recycles empty returnable beverage containers.
 - (c) "Designated member" means the spouse, child, grandchild, parent, brother, or sister of a deceased individual who owned an interest in a wholesaler, who is entitled to inherit the deceased individual's ownership interest in the wholesaler under the terms of the deceased individual's will, or who has otherwise been designated in writing by the deceased individual to succeed the deceased individual in the wholesaler's business, or is entitled to inherit such ownership interest under the laws of intestate succession of this state. With respect to an incapacitated individual owning an ownership interest in a wholesaler, the term means the person appointed by a court as the conservator of such individual's property. The term also includes the appointed and qualified personal representative and the testamentary trustee of a deceased individual owning an ownership interest in a wholesaler.
 - (d) "Good faith" means honesty in fact and the observance of reasonable commercial standards of fair dealing in the trade, as defined and interpreted under section 2103 of the uniform commercial code, 1962 PA 174, MCL 440.2103.
 - (e) "Master distributor" means a wholesaler who acts in the same or similar capacity as a wine maker or an outstate seller of wine for a brand or brands of wine to other wholesalers on a regular basis in the normal course of business.
 - (f) "Reasonable qualifications" means the average standard of the criteria used by the respective supplier for wholesalers that entered into or renewed an agreement with the suppliers during a period of 24 months prior to the proposed transfer of the wholesaler's business.
 - (g) "Retaliatory action" means action which includes, but is not limited to, the refusal to continue an agreement, or a material reduction in the quality of service or quantity of products

available to a wholesaler under an agreement, which refusal or reduction is not made in good faith.

- (h) "Sales territory" means an area of sales responsibility for the brand or brands of wine sold by a supplier as designated by an agreement.
 - (i) "Successor" means a supplier who obtains, in any manner from any person, including a person who is not a supplier, the distribution rights of 1 or more brands of wine which a licensed Michigan wholesaler has distributed in this state pursuant to an agreement with another supplier, who previously had the distribution rights for the brand or brands.
 - (j) "Supplier" means a wine maker or an outstate seller of wine, or a master distributor.
 - (k) "Transfer of a wholesaler's business" means the voluntary sale, assignment, or other transfer of the business or control of the business of the wholesaler, including the sale or other transfer of stock or assets by merger, consolidation, or dissolution.
- (3) A supplier shall not do any of the following:
- (a) Coerce, or attempt to coerce, any wholesaler to accept delivery of any wine or other commodity which has not been ordered by the wholesaler. However, a supplier may impose reasonable inventory requirements upon a wholesaler if the requirements are made in good faith and are generally applied to other wholesalers having an agreement with the supplier.
 - (b) Coerce, or attempt to coerce, any wholesaler to accept delivery of any wine or other commodity ordered by a wholesaler if the order was properly canceled by the wholesaler in accordance with the procedures agreed upon by the supplier and wholesaler.
 - (c) Coerce, or attempt to coerce, any wholesaler to do any illegal act by threatening to amend, cancel, terminate, or refuse to renew any agreement existing between the supplier and wholesaler.
 - (d) Require a wholesaler to assent to any condition, stipulation, or provision limiting the wholesaler's right to sell the brand or brands of wine of any other supplier anywhere in this state unless the acquisition of the brand or brands of another supplier would materially impair the quality of service of the brand or brands of the supplier presently being sold by the wholesaler.
 - (e) Require a wholesaler to purchase 1 or more brands of wine in order for the wholesaler to purchase another brand or brands of wine for any reason. However, a wholesaler that has agreed to distribute a brand or brands before June 26, 1984 shall continue to distribute the brand or brands in conformance with this section.
 - (f) Request a wholesaler to submit profit and loss statements, balance sheets, or financial records as a requirement for renewing or retaining an agreement.
 - (g) Withhold delivery of wine ordered by a wholesaler, or change a wholesaler's quota of a brand or brands if the withholding or change is not made in good faith.

 - (j) Fix, maintain, or establish the price at which a wholesaler shall sell any wine.
 - (k) Take any retaliatory action against a wholesaler that files a complaint regarding an alleged violation by the supplier of state or federal law or an administrative rule.
 - (l) Require or prohibit any change in the manager or successor manager of any wholesaler who has been approved by the supplier as of June 26, 1984. Should, after June 26, 1984, a supplier require that a manager or successor manager be appointed, or should a wholesaler change an approved manager or successor manager, a supplier shall not interfere with or prohibit the appointment unless the person fails to meet the reasonable written standards for Michigan wholesalers of the supplier which standards have been provided to the wholesaler.
 - (m) Require by a provision of any agreement or other instrument in connection with the agreement that any dispute arising out of or in connection with that agreement be determined through the application of any other state's laws. Any supplier or wholesaler aggrieved by any dispute arising out of or in connection with an agreement governed by this act shall have the right to file an appropriate action consistent with this act in any court in this state having venue.

- (4) A wholesaler shall not sell or deliver wine to a retail licensee located outside the sales territory designated by the supplier of a particular brand or brands of wine. However, during periods of temporary service interruptions impacting a particular sales territory, a wholesaler who normally services the impacted sales territory shall file with the commission a written notice designating the specific wholesaler or wholesalers who will service the sales territory during the period of temporary service interruption and the approximate length of time of the service interruption. When the temporary service interruption is over, the wholesaler who normally services the sales territory shall notify in writing the commission and the wholesaler, or wholesalers, which is servicing the sales territory on a temporary basis of this fact and any wholesaler servicing the sales territory on a temporary basis shall cease servicing the sales territory upon receipt of the notice.

A wholesaler who is designated to service the impacted sales territory during the period of temporary service shall not be in violation of this subsection.

A wholesaler who has been designated to service the impacted sales territory during the period of temporary service interruption shall not have any of the rights provided under subsections (6) to (12).

- (5) A supplier or wholesaler shall not restrict or inhibit, directly or indirectly, the right of free association among suppliers or wholesalers for any lawful purpose.
- (6) Notwithstanding the terms, provisions, or conditions of any agreement, a supplier shall not amend any agreement unless the supplier is acting in good faith in making the amendment.
- (7) Notwithstanding any agreement and except as otherwise provided for in this section, a supplier shall not cause a wholesaler to resign from an agreement; or cancel, terminate, fail to renew, or refuse to continue under an agreement unless the supplier has complied with all of the following:
- (a) Has satisfied the applicable notice requirements of subsection (10).
 - (b) Has acted in good faith.
 - (c) Has good cause for the cancellation, termination, nonrenewal, discontinuance, or forced resignation.
- (8) Notwithstanding any agreement, good cause shall exist for the purposes of a termination, cancellation, nonrenewal, or discontinuance under subsection (7)(c) when all of the following occur:
- (a) There is a failure by the wholesaler to comply with a provision of the agreement which is both reasonable and of material significance to the business relationship between the wholesaler and the supplier.
 - (b) The supplier first acquired knowledge of the failure described in subdivision (a) not more than 2 years before the date notification was given pursuant to subsection (7).
 - (c) The wholesaler was given written notice by the supplier of failure to comply with the agreement.
 - (d) The wholesaler was afforded a reasonable opportunity to assert good faith efforts to comply with the agreement within the time limits as provided for in subdivision (e).
 - (e) The wholesaler has been afforded 25 days in which to submit a plan of corrective action to comply with the agreement and an additional 75 days to cure such noncompliance in accordance with the plan.
- (9) A supplier or wholesaler who terminates, cancels, nonrenews, or discontinues an agreement shall have the burden of showing that it has acted in good faith, complied with the applicable notice requirements under this section, and that there was good cause for the termination, cancellation, nonrenewal, or discontinuance.
- (10) Notwithstanding any agreement and except as otherwise provided in this section, the supplier shall furnish written notice of the termination, cancellation, nonrenewal, or discontinuance of an agreement to the wholesaler not less than 15 days before the effective date of the termination, cancellation, nonrenewal, or discontinuance. The notice shall be by certified mail and shall contain all of the following:
- (a) A statement of intention to terminate, cancel, not renew, or discontinue the agreement.
 - (b) A statement of the reason for the termination, cancellation, nonrenewal, or discontinuance.
 - (c) The date on which the termination, cancellation, nonrenewal, or discontinuance takes effect.

- (11) Notwithstanding subsections (7) and (10), a supplier may immediately terminate, cancel, fail to renew, or discontinue an agreement upon written notice given in the manner and containing the information required by subsection (10) if any of the following occur:
- (a) Insolvency of the wholesaler, the filing of any petition by or against the wholesaler under any bankruptcy or receivership law, or the dissolution or liquidation of the wholesaler which materially affects the wholesaler's ability to remain in business.
 - (b) Revocation of the wholesaler's license by the commission whereby the wholesaler cannot service the wholesaler's sales territory for more than 60 days.
 - (c) The wholesaler, or an individual who owns more than 10% of the stock of a corporate wholesaler, has been convicted of a felony. As used in this subdivision, "felony" means a felony under the United States code or the Michigan Compiled Laws. However, an existing approved stockholder or stockholders shall have the right to purchase the stock of the offending stockholder prior to the conviction of the offending stockholder, and if the sale is completed prior to conviction, the provisions of this subdivision shall not apply.
- (12) Notwithstanding subsections (7), (10), and (11), upon not less than 15 days' prior written notice given in the manner and containing the information required by subsection (10), a supplier may terminate, cancel, fail to renew, or discontinue an agreement if any of the following events occur:
- (a) There was fraudulent conduct on the part of the wholesaler in dealings with the supplier.
 - (b) The wholesaler failed to confine its sales of a brand or brands to the assigned sales territory. This subdivision does not apply if there is a dispute between 2 or more wholesalers as to the boundaries of the assigned territory, and the boundaries cannot be determined by a reading of the description contained in the agreements between the supplier and the wholesalers.
 - (c) The sale by the wholesaler of any brand or brands sold by the supplier to the wholesaler and known by the wholesaler to be ineligible for sale prior to the actual sale to the retailer. The supplier shall repurchase the ineligible product from the wholesaler when the ineligibility is caused by the supplier. The supplier must give the wholesaler written notice specifying the ineligible product.
- (13) Notwithstanding subsections (7), (10), (11), and (12), a supplier may terminate, cancel, not renew, or discontinue an agreement upon not less than 30 days' prior written notice if the supplier discontinues production or discontinues distribution in this state of all the brands sold by the supplier to the wholesaler. Nothing in this section shall prohibit a supplier upon not less than 30 days' notice to discontinue the distribution of any particular brand or package of wine. This subsection does not prohibit a supplier from conducting test marketing of a new brand of wine or from conducting the test marketing of a brand of wine which is not currently being sold in this state provided that the supplier has notified the commission in writing of its plans to test market. The notice shall describe the market area in which the test shall be conducted; the name or names of the wholesaler or wholesalers who will be selling the wine; the name or names of the brand of wine being tested; and the period of time during which the testing will take place. A market testing period shall not exceed 18 months.
- (14) The wholesaler shall devote reasonable efforts and resources to sales and distribution of all the supplier's products which the wholesaler has been granted the right to sell and distribute and shall maintain reasonable sales levels.
- (15) A supplier shall not withhold consent to any transfer of a wholesaler's business if the proposed transferee meets the material and reasonable qualifications and standards required by the supplier. A wholesaler shall give the supplier written notice of intent to transfer the wholesaler's business. A supplier shall not unreasonably delay a response to a request for a proposed transfer of a wholesaler's business. However, a transfer of a wholesaler's business which is not approved by the supplier shall be null and void. A supplier shall not interfere with, or prevent, the transfer of the wholesaler's business if the proposed transferee is a designated member.
- (16) A supplier as part of the written agreement required by this section may, subject to the provisions of subsection (3)(l), require a wholesaler to designate a successor manager who shall be subject to prior approval by the supplier. In the event the designated successor manager fails to assume the role of approved manager or for any reason does not continue to manage the wholesaler's business, after assuming that responsibility, then any successor shall be subject to the prior approval of the supplier, subject to the provisions of subsection (3)(l), notwithstanding the transferee's interest as a designated member.

- (17) A supplier that has amended, canceled, terminated, or refused to renew any agreement; has caused a wholesaler to resign from an agreement; or has withheld consent to any assignment or transfer of a wholesaler's business, except as provided for in this section, shall pay the wholesaler reasonable compensation for the diminished value of the wholesaler's business or of any ancillary business which has been negatively affected by the act of the supplier, or both. The value of the wholesaler's business or ancillary business shall include, but not be limited to, its goodwill.
- (18) Either party may, at any time, determine that mutual agreement on the amount of reasonable compensation cannot be reached. Should such a determination be made, the supplier or the wholesaler shall send written notice to the other party declaring their intention to proceed with arbitration. Arbitration shall proceed only by mutual agreement of both parties.
- (19) The matter of determining the amount of compensation under arbitration may, by agreement of the parties, be submitted to a 5-member arbitration panel consisting of 2 representatives selected by the supplier but unassociated with the affected supplier, 2 wholesaler representatives selected by the wholesaler but unassociated with the wholesaler, and an impartial arbitrator.
- (20) Not more than 10 days after the notice to enter into arbitration has been sent, each party shall request, in writing, a list of 5 arbitrators from the American arbitration association. Not more than 10 days after the receipt of the list of 5 choices, the wholesaler arbitrators and the supplier arbitrators may strike and disqualify up to 2 names each from the list. Should either party fail to respond within the 10 days or should more than 1 name remain, the American arbitration association shall make the selection of the impartial arbitrator.
- (21) Not more than 30 days after the list of arbitrators is received, the wholesaler and supplier shall exchange in writing the names of their respective arbitration panel representatives.
- (22) Not more than 30 days after the final selection of the arbitration panel is made, the arbitration panel shall convene to decide the dispute. The panel shall render a decision by majority vote of the participants within 20 days from the conclusion of the arbitration.
- (23) The cost of the impartial arbitrator, the stenographer, and the meeting site shall be equally divided between the wholesaler and the supplier. All other costs shall be paid by the party incurring them. The award of the arbitration panel shall be final and binding on the parties.
- (24) Should either party fail to abide by the time limitations as prescribed in subsections (20), (21), and (22), or fail or refuse to make the selection of any arbitrators, or fail to participate in the arbitration hearings, the other party shall make the selection of their arbitrators and proceed to arbitration. The party who has failed or refused to comply as prescribed in this subsection shall be considered to be in default. Any party considered to be in default pursuant to this subsection shall have waived any and all rights the party would have had in the arbitration and shall be considered to have consented to the determination of the arbitration panel.
- (25) A wholesaler shall not waive any of the rights granted in any provision of this section. Nothing in this section shall be construed to limit or prohibit good faith dispute settlements voluntarily entered into by the parties.
- (26) A successor to a supplier that continues in business as a wine maker, an outstate seller of wine, or master distributor shall be bound by all terms and conditions of each agreement of the supplier with a wholesaler licensed in this state that were in effect on the date on which the successor received the distribution rights of the previous supplier.
- (27) This section shall apply to agreements in existence on June 26, 1984, as well as agreements entered into or renewed after that date.
- (28) If a supplier engages in conduct prohibited under this section, a wholesaler with which the supplier has an agreement may maintain a civil action against the supplier to recover actual damages reasonably incurred as the result of the prohibited conduct. If a wholesaler engages in conduct prohibited under this section, a supplier with which the wholesaler has an agreement may maintain a civil action against the wholesaler to recover actual damages reasonably incurred as the result of the prohibited conduct.
- (29) A supplier that violates any provision of this section is liable for all actual damages and all court costs and reasonable attorney fees incurred by a wholesaler as a result of that violation. A wholesaler that violates any provision of this section is liable for all actual damages and all court costs and reasonable attorney fees incurred by the supplier as a result of that violation.

- (30) A supplier or wholesaler may bring an action for declaratory judgment for determination of any controversy arising pursuant to this section.
- (31) Except as otherwise provided in this section, if a court finds that a supplier has not acted in good faith in effecting the amendment, termination, cancellation, or nonrenewal of any agreement; or has unreasonably withheld its consent to any assignment, transfer, or sale of a wholesaler's business, it may award exemplary damages, as well as actual damages, court costs, and reasonable attorney fees to the wholesaler who has been damaged by the action of the supplier.
- (32) Upon proper application to the court, a supplier or wholesaler may obtain injunctive relief against any violation of this section. If the court grants injunctive relief or issues a temporary restraining order, bond shall not be required to be posted.
- (33) The procedure for resolving any violation of subsection (3)(a), (b), (c), (e), (f), (h), (i), (j), (k), (l), or (4) shall be the procedure prescribed by this act and the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328. Any other violation of or dispute regarding this section, unless the dispute is resolved pursuant to subsections (18) to (24), shall only be resolved by a civil action in court as provided in this section and not by the commission.

- (1) The purpose of this section is to provide a structure for the business relations between a wholesaler of beer and a supplier of beer. Regulation in this area is considered necessary for the following reasons:
 - (a) To maintain stability and healthy competition in the beer industry in this state.
 - (b) To promote and maintain a sound, stable, and viable 3-tier system of distribution of beer to the public.
 - (c) To promote the public health, safety, and welfare.
- (2) As used in this section, unless the context requires otherwise:
 - (a) "Agreement" means any agreement between a wholesaler and a supplier, whether oral or written, whereby a wholesaler is granted the right to offer and sell a brand or brands of beer sold by a supplier.
 - (b) "Ancillary business" means a business owned by a wholesaler, a stockholder of a wholesaler, or a partner of a wholesaler the primary purpose of which is directly related to the transporting, storing, or marketing of the brand or brands of beer of a supplier with whom the wholesaler has an agreement; or a business owned by a wholesaler, a stockholder of a wholesaler, or a partner of a wholesaler which recycles empty returnable beverage containers.
 - (c) "Designated member" means the spouse, child, grandchild, parent, brother, or sister of a deceased individual who owned an interest in a wholesaler, who is entitled to inherit the deceased individual's ownership interest in the wholesaler under the terms of the deceased

individual's will, or who has otherwise been designated in writing by the deceased individual to succeed the deceased individual in the wholesaler's business, or is entitled to inherit such ownership interest under the laws of intestate succession of this state. With respect to an incapacitated individual owning an ownership interest in a wholesaler, the term means the person appointed by a court as the conservator of such individual's property. The term also includes the appointed and qualified personal representative and the testamentary trustee of a deceased individual owning an ownership interest in a wholesaler.

- (d) "Good faith" means honesty in fact and the observance of reasonable commercial standards of fair dealing in the trade, as defined and interpreted under section 2103 of the uniform commercial code, 1962 PA 174, MCL 440.2103.
 - (e) "Master distributor" means a wholesaler who acts in the same or similar capacity as a brewer or outstate seller of beer for a brand or brands of beer to other wholesalers on a regular basis in the normal course of business.
 - (f) "Reasonable qualifications" means the average standard of the criteria used by the respective supplier for wholesalers that entered into or renewed an agreement with the supplier during a period of 24 months prior to the proposed transfer of the wholesaler's business.
 - (g) "Retaliatory action" means action which includes, but is not limited to, the refusal to continue an agreement, or a material reduction in the quality of service or quantity of products available to a wholesaler under an agreement, which refusal or reduction is not made in good faith.
 - (h) "Sales territory" means an area of exclusive sales responsibility for the brand or brands of beer sold by a supplier as designated by an agreement.
 - (i) "Successor" means a supplier who obtains, in any manner from any person, including a person who is not a supplier, the distribution rights of 1 or more brands of beer which a licensed Michigan wholesaler has distributed in this state pursuant to an agreement with another supplier who previously had the distribution rights for the brand or brands.
 - (j) "Supplier" means a brewer, an outstate seller of beer, or a master distributor.
 - (k) "Transfer of a wholesaler's business" means the voluntary sale, assignment, or other transfer of the business or control of the business of the wholesaler, including the sale or other transfer of stock or assets by merger, consolidation, or dissolution.
- (3) A supplier shall not do any of the following:
- (a) Coerce, or attempt to coerce, any wholesaler to accept delivery of any beer or other commodity which has not been ordered by the wholesaler. However, a supplier may impose reasonable inventory requirements upon a wholesaler if the requirements are made in good faith and are generally applied to other wholesalers having an agreement with the supplier.
 - (b) Coerce, or attempt to coerce, any wholesaler to accept delivery of any beer or other commodity ordered by a wholesaler if the order was properly canceled by the wholesaler in accordance with the procedures agreed upon by the supplier and wholesaler.
 - (c) Coerce, or attempt to coerce, any wholesaler to do any illegal act by threatening to amend, cancel, terminate, or refuse to renew any agreement existing between the supplier and wholesaler.
 - (d) Require a wholesaler to assent to any condition, stipulation, or provision limiting the wholesaler's right to sell the brand or brands of beer of any other supplier anywhere in this state unless the acquisition of the brand or brands of another supplier would materially impair the quality of service of the brand or brands of the supplier presently being sold by the wholesaler.
 - (e) Require a wholesaler to purchase 1 or more brands of beer in order for the wholesaler to purchase another brand or brands of beer for any reason. However, a wholesaler that has agreed to distribute a brand or brands before June 26, 1984 shall continue to distribute the brand or brands in conformance with this section.

- (h) Require a wholesaler by any means to participate in or contribute to any local or national advertising fund controlled directly or indirectly by a supplier.
 - (i) Fail to provide each wholesaler of the supplier's brand or brands with a written agreement which contains, in total, the supplier's agreement with each wholesaler and which designates a specific sales territory. Any agreement which is in existence on June 26, 1984 shall be renewed consistent with this section, except that this section may be incorporated by reference in the agreement.
 - (j) Fix, maintain, or establish the price at which a wholesaler shall sell any beer.
 - (k) Take any retaliatory action against a wholesaler that files a complaint regarding an alleged violation by the supplier of state or federal law or an administrative rule.
 - (l) Require or prohibit any change in the manager or successor manager of any wholesaler who has been approved by the supplier as of June 26, 1984. Should a wholesaler change an approved manager or successor manager, a supplier shall not require or prohibit the change unless the person fails to meet the reasonable written standards for Michigan wholesalers of the supplier which standards have been provided to the wholesaler.
 - (m) Require by a provision of any agreement or other instrument in connection with the agreement that any dispute arising out of or in connection with that agreement be determined through the application of any other state's laws, be determined in federal court sitting in a state other than Michigan, or be determined in a state court of a state other than the state of Michigan. A provision contained in any agreement or other instrument in connection with the agreement which contravenes this subdivision shall be null and void.
- (4) A wholesaler shall not sell or deliver beer to a retail licensee located outside the sales territory designated by the supplier of a particular brand or brands of beer. However, during periods of temporary service interruptions impacting a particular sales territory, a wholesaler who normally services the impacted sales territory shall file with the commission a written notice designating the specific wholesaler or wholesalers who will service the sales territory during the period of temporary service interruption and the approximate length of time of the service interruption. When the temporary service interruption is over, the wholesaler who normally services the sales territory shall notify in writing the commission and the wholesaler, or wholesalers, which is servicing the sales territory on a temporary basis of this fact and any wholesaler servicing the sales territory on a temporary basis shall cease servicing the sales territory upon receipt of the notice.

A wholesaler who is designated to service the impacted sales territory during the period of temporary service shall not be in violation of this subsection.

A wholesaler who has been designated to service the impacted sales territory during the period of temporary service interruption shall not have any of the rights provided under subsections (6) to (12).

- (5) A supplier or wholesaler shall not restrict or inhibit, directly or indirectly, the right of free association among suppliers or wholesalers for any lawful purpose.
- (6) Notwithstanding the terms, provisions, or conditions of any agreement, a supplier shall not amend any agreement unless the supplier is acting in good faith in making the amendment.
- (7) Notwithstanding any agreement and except as otherwise provided for in this section, a supplier shall not cause a wholesaler to resign from an agreement; or cancel, terminate, fail to renew, or refuse to continue under an agreement unless the supplier has complied with all of the following:
 - (a) Has satisfied the applicable notice requirements of subsection (10).
 - (b) Has acted in good faith.
 - (c) Has good cause for the cancellation, termination, nonrenewal, discontinuance, or forced resignation.
- (8) Notwithstanding any agreement, good cause shall exist for the purposes of a termination, cancellation, nonrenewal, or discontinuance under subsection (7)(c) when all of the following occur:
 - (a) There is a failure by the wholesaler to comply with a provision of the agreement which is both reasonable and of material significance to the business relationship between the wholesaler and the supplier.

- (b) The supplier first acquired knowledge of the failure described in subdivision (a) not more than 2 years before the date notification was given pursuant to subsection (7).
 - (c) The wholesaler was given written notice by the supplier of failure to comply with the agreement.
 - (d) The wholesaler was afforded a reasonable opportunity to assert good faith efforts to comply with the agreement within the time limits as provided for in subdivision (e).
 - (e) The wholesaler has been afforded 30 days in which to submit a plan of corrective action to comply with the agreement and an additional 90 days to cure such noncompliance in accordance with the plan.
- (9) For each termination, cancellation, nonrenewal, or discontinuance, the supplier shall have the burden of showing that it has acted in good faith, that the notice requirements under this section have been complied with, and that there was good cause for the termination, cancellation, nonrenewal, or discontinuance.
- (10) Notwithstanding any agreement and except as otherwise provided in this section, the supplier shall furnish written notice of the termination, cancellation, nonrenewal, or discontinuance of an agreement to the wholesaler not less than 15 days before the effective date of the termination, cancellation, nonrenewal, or discontinuance. The notice shall be by certified mail and shall contain all of the following:
- (a) A statement of intention to terminate, cancel, not renew, or discontinue the agreement.
 - (b) A statement of the reason for the termination, cancellation, nonrenewal, or discontinuance.
 - (c) The date on which the termination, cancellation, nonrenewal, or discontinuance takes effect.
- (11) Notwithstanding subsections (7) and (10), a supplier may terminate, cancel, fail to renew, or discontinue an agreement upon written notice given in the manner and containing the information required by subsection (10) if any of the following occur:
- (a) Insolvency of the wholesaler, the filing of any petition by or against the wholesaler under any bankruptcy or receivership law, or the dissolution or liquidation of the wholesaler which materially affects the wholesaler's ability to remain in business.
 - (b) Revocation of the wholesaler's license by the commission whereby the wholesaler cannot service the wholesaler's sales territory for more than 60 days.
 - (c) The wholesaler, or an individual who owns more than 10% of the stock of a corporate wholesaler, has been convicted of a felony. As used in this subdivision, "felony" means a felony under the United States Code or the Michigan Compiled Laws. However, an existing approved stockholder or stockholders shall have the right to purchase the stock of the offending stockholder prior to the conviction of the offending stockholder and, if the sale is completed prior to conviction, the provisions of this subdivision shall not apply.
- (12) Notwithstanding subsections (7), (10), and (11), upon not less than 15 days' prior written notice given in the manner and containing the information required by subsection (10), a supplier may terminate, cancel, fail to renew, or discontinue an agreement if any of the following events occur:
- (a) There was fraudulent conduct on the part of the wholesaler in dealings with the supplier.
 - (b) The wholesaler failed to confine its sales of a brand or brands to the assigned sales territory. This subdivision does not apply if there is a dispute between 2 or more wholesalers as to the boundaries of the assigned territory, and the boundaries cannot be determined by a reading of the description contained in the agreements between the supplier and the wholesalers.
 - (c) The sale by the wholesaler of any brand or brands sold by the supplier to the wholesaler and known by the wholesaler to be ineligible for sale prior to the actual sale to the retailer. The supplier shall repurchase the ineligible product from the wholesaler when the ineligibility is caused by the supplier. The supplier must give the wholesaler written notice specifying the ineligible product. This subdivision does not apply when a supplier ships a brand or brands to a wholesaler that must be removed within 60 days of the deadline for retail sale of the product. This 60-day period shall commence upon receipt of the product by the wholesaler.
- (13) Notwithstanding subsections (7), (10), (11), and (12), a supplier may terminate, cancel, not renew, or discontinue an agreement upon not less than 30 days' prior written notice if the supplier discontinues production or discontinues distribution in this state of all the brands sold by the supplier to the wholesaler. Nothing in this section shall prohibit a supplier upon not less than 30 days' notice to discontinue the distribution of any particular brand or package of beer. This subsection does not

prohibit a supplier from conducting test marketing of a new brand of beer or from conducting the test marketing of a brand of beer which is not currently being sold in this state provided that the supplier has notified the commission in writing of its plans to test market. The notice shall describe the market area in which the test shall be conducted; the name or names of the wholesaler or wholesalers who will be selling the beer; the name or names of the brand of beer being tested; and the period of time during which the testing will take place. A market testing period shall not exceed 18 months.

- (14) The wholesaler shall devote reasonable efforts and resources to sales and distribution of all the supplier's products which the wholesaler has been granted the right to sell and distribute and shall maintain reasonable sales levels.
- (15) A brewer, an outstate seller of beer, or a master distributor that has designated a sales territory for a wholesaler shall not enter into an additional agreement with any other wholesaler for the same brand or brands of beer in the same territory or any portion of that territory.
- (16) A supplier shall not withhold consent to any transfer of a wholesaler's business if the proposed transferee meets the material and reasonable qualifications and standards required by the supplier. A wholesaler shall give the supplier written notice of intent to transfer the wholesaler's business. A supplier shall not unreasonably delay a response to a request for a proposed transfer of a wholesaler's business. However, a transfer of a wholesaler's business which is not approved by the supplier shall be null and void. A supplier shall not interfere with, or prevent, the transfer of the wholesaler's business if the proposed transferee is a designated member.
- (17) A supplier that has amended, canceled, terminated, or refused to renew any agreement; has caused a wholesaler to resign from an agreement; or has withheld consent to any assignment or transfer of a wholesaler's business, except as provided for in this section, shall pay the wholesaler reasonable compensation for the diminished value of the wholesaler's business or of any ancillary business which has been negatively affected by the act of the supplier, or both. The value of the wholesaler's business or ancillary business shall include, but not be limited to, its good will.
- (18) Either party may, at any time, determine that mutual agreement on the amount of reasonable compensation cannot be reached. Should such a determination be made, the supplier or the wholesaler shall send written notice to the other party declaring their intention to proceed with arbitration. Arbitration shall proceed only by mutual agreement of both parties.
- (19) The matter of determining the amount of compensation under arbitration may, by agreement of the parties, be submitted to a 5-member arbitration panel consisting of 2 representatives selected by the supplier but unassociated with the affected supplier, 2 wholesaler representatives selected by the wholesaler but unassociated with the wholesaler, and an impartial arbitrator.
- (20) Not more than 10 days after the notice to enter into arbitration has been sent, each party shall request, in writing, a list of 5 arbitrators from the American arbitration association. Not more than 10 days after the receipt of the list of 5 choices, the wholesaler arbitrators and the supplier arbitrators may strike and disqualify up to 2 names each from the list. Should either party fail to respond within the 10 days or should more than 1 name remain, the American arbitration association shall make the selection of the impartial arbitrator.
- (21) Not more than 30 days after the list of arbitrators is received, the wholesaler and supplier shall exchange in writing the names of their respective arbitration panel representatives.
- (22) Not more than 30 days after the final selection of the arbitration panel is made, the arbitration panel shall convene to decide the dispute. The panel shall render a decision by majority vote of the participants within 20 days from the conclusion of the arbitration.
- (23) The cost of the impartial arbitrator, the stenographer, and the meeting site shall be equally divided between the wholesaler and the supplier. All other costs shall be paid by the party incurring them. The award of the arbitration panel shall be final and binding on the parties.
- (24) After both parties have agreed to arbitrate should either party fail to abide by the time limitations as prescribed in subsections (20), (21), and (22), or fail or refuse to make the selection of any arbitrators, or fail to participate in the arbitration hearings, the other party shall make the selection of their arbitrators and proceed to arbitration. The party who has failed or refused to comply as prescribed in this subsection shall be considered to be in default. Any party considered to be in default pursuant to this subsection shall have waived any and all rights the party would have had in the arbitration and shall be considered to have consented to the determination of the arbitration panel.

- (25) A wholesaler shall not waive any of the rights granted in any provision of this section. Nothing in this section shall be construed to limit or prohibit good faith dispute settlements voluntarily entered into by the parties.
- (26) A successor to a supplier that continues in business as a brewer, an outstate seller of beer, or a master distributor shall be bound by all terms and conditions of each agreement of the supplier with a wholesaler licensed in this state that were in effect on the date on which the successor received the distribution rights of the previous supplier.
- (27) This section shall apply to agreements in existence on June 26, 1984, as well as agreements entered into or renewed after that date.
- (28) If a supplier engages in conduct prohibited under this section, a wholesaler with which the supplier has an agreement may maintain a civil action against the supplier to recover actual damages reasonably incurred as the result of the prohibited conduct. If a wholesaler engages in conduct prohibited under this section, a supplier with which the wholesaler has an agreement may maintain a civil action against the wholesaler to recover actual damages reasonably incurred as the result of the prohibited conduct.
- (29) A supplier that violates any provision of this section is liable for all actual damages and all court costs and reasonable attorney fees incurred by a wholesaler as a result of that violation. A wholesaler that violates any provision of this section is liable for all actual damages and all court costs and reasonable attorney fees incurred by the supplier as a result of that violation.
- (30) A supplier or wholesaler may bring an action for declaratory judgment for determination of any controversy arising pursuant to this section.
- (31) Except as otherwise provided in this section, if a court finds that a supplier has not acted in good faith in effecting an amendment, termination, cancellation, or nonrenewal of any agreement; or has unreasonably withheld its consent to any assignment, transfer, or sale of a wholesaler's business, it may award exemplary damages, as well as actual damages, court costs, and reasonable attorney fees to the wholesaler who has been damaged by the action of the supplier.
- (32) Upon proper application to the court, a supplier or wholesaler may obtain injunctive relief against any violation of this section. If the court grants injunctive relief or issues a temporary restraining order, bond shall not be required to be posted.
- (33) The procedure for resolving any violation of subsection (3)(a), (b), (c), (e), (f), (h), (i), (j), (k), (l), or (4) shall be the procedure prescribed by this act and the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328. Any other violation of or dispute regarding this section, unless the dispute is resolved pursuant to subsections (18) to (24), shall only be resolved by a civil action in court as provided in this section and not by the commission.

Sec. 409.

- (1) Except as provided in this section, the commission shall levy and collect a tax on all beer manufactured or sold in this state at the rate of \$6.30 per barrel if the beer is sold in bulk or in different quantities. Before February 1, 2015, the tax shall be paid by the brewer or brewpub if manufactured in this state or by the wholesaler or the person from whom purchased if manufactured outside this state, whichever is designated by the commission.
- (2) Beginning on and after February 1, 2015, the tax shall be paid by the brewer or brewpub if the beer is manufactured in this state or if the beer is manufactured outside this state the tax shall be paid by the wholesaler assigned to distribute that beer and the tax shall be levied and collected on the number of barrels the wholesaler actually sold to licensed retailers in this state. A brewer may designate a wholesaler to pay the tax on behalf of the brewer. If a brewer designates a wholesaler to pay the tax on its behalf, the brewer shall notify the commission of the designation and provide the commission with a copy of its brewer's report of operations that it filed with the alcohol and tobacco tax and trade bureau of the United States department of treasury for each calendar year.

- (6) For the purposes of the tax levied under subsection (1), a barrel of beer contains 31 gallons.
- (7) The commission may promulgate a rule that designates the states or the laws or the rules of other states that require a licensed wholesaler of beer to pay an additional fee for the right to purchase, import, or sell beer manufactured in this state; that denies the issuance of a license authorizing the importation of beer to any wholesaler of beer in that state who applies for the license; that prohibits wholesalers of beer in that state from possessing or selling beer purchased in this state, unless the person from whom the beer was purchased has secured a license and paid a fee in that state, if the seller does not transport the beer into the state and does not sell the beer in the state; or that imposes any higher taxes or inspection fees upon beer manufactured in this state when transporting the beer into or selling the beer in that state than taxes or fees imposed upon beer manufactured and sold within that state. A rule promulgated under this subsection shall prohibit all licensees from purchasing, receiving, possessing, or selling any beer manufactured in any state designated in the rule. A rule promulgated under this subsection becomes effective as provided in section 47 of the administrative procedures act of 1969, 1969 PA 306, MCL 24.247. Sec. 501.

- (1) The commission may issue licenses as provided in this act upon the payment of the fees provided in section 525 and the filing of the bonds required in section 801 or liability insurance as provided in section 803. The commission shall provide a notification of the ability of the purchaser or transferee to obtain a tax clearance certificate, as provided in subsection (6). Subject to section 906(2) and (3), the commission shall not issue a new on premises license or transfer more than 50% interest in an existing on premises license unless the applicant or transferee offers proof acceptable to the commission that he or she has employed or has present on the licensed premises, at a minimum, supervisory personnel on each shift and during all hours in which alcoholic liquor is served who have successfully completed a server training program described in section 906. The commission may consider an individual enrolled and actively participating in a server training program as having successfully completed the program for the time the individual is participating. The commission may allow an applicant or a conditionally approved licensee at least 180 days, or more upon a showing of good cause, to meet the minimum personnel training requirements of this subsection. The commission may suspend the license of a conditionally approved licensee if that licensee does not comply with this subsection. The commission may waive the server training requirements of this subsection on the basis of either of the following circumstances:
 - (a) The licensee's responsible operating experience or training.
 - (b) The person's demonstration of an acceptable level of responsible operation either as a licensee during the preceding 3 years or as a manager with substantial experience in serving alcoholic liquor.
- (2) A full-year license issued by the commission shall expire on April 30 following the date of issuance or the date fixed by the commission. A license issued under this act is a contract between the commission and the licensee and shall be signed by both parties. If a licensee dies, the commission may approve the operation of the establishment by a personal representative or independent personal representative duly appointed by a court of competent jurisdiction, pending the settlement of the estate of the deceased licensee. The commission may approve a receiver or trustee appointed by a court of competent jurisdiction to operate the licensed establishment of a licensee. The commission may grant a part-year license for a proportionate part of the license fee specified in section 525. In a resort area the commission shall grant a license for a period of time as short as 3 months. A license may be transferred with the consent of the commission. A class C or specially designated distributor license obtained in a manner other than by transfer shall not be transferred within 3 years after its issuance except under circumstances where the licensee clearly and convincingly demonstrates that unusual hardship will result if the transfer does not receive the consent of the commission. An application for a license to sell alcoholic liquor for consumption on the premises, except in a city having a population of 600,000 or more, shall be approved by the local legislative body in which the applicant's place of business is located before the license is granted by the commission, except that in the case of an application for renewal of an existing license, if an objection to a renewal has not been filed with the commission by the local legislative body not less than 30 days before the date of expiration of the license, the approval of the local legislative body is not required. The commission shall provide the local legislative body and the local chief of police with the name, home and business addresses, and home and business phone numbers to accomplish the local legislative reviews of new and transferred license applications required by this subsection. Upon request of the local legislative body after due notice and proper hearing by the local

legislative body and the commission, the commission shall revoke the license of a licensee granted a license to sell alcoholic liquor for consumption on the premises or any permit held in conjunction with that license.

- (3) A local legislative body, by resolution, may request that the commission revoke the license of a licensee granted a license to sell alcoholic liquor for consumption off the premises whose place of business is located within the local legislative body's jurisdiction and that has been determined in commission violation hearings to have sold or furnished alcoholic liquor, on at least 3 separate occasions in a consecutive 12-month period, to a minor if those violations did not involve the use of falsified or fraudulent identification by the minor. If the commission verifies that the licensee who is the subject of the resolution has been found to have committed the violations as prescribed in this subsection, the commission may suspend or revoke the licensee's license and any permit held in conjunction with that license.
- (4) This act does not prohibit a hotel that is or was the holder of a license authorizing the retail sale of alcoholic liquor for consumption on the premises from applying for and receiving under this act any other and different type of license authorizing the retail sale of alcoholic liquor for consumption on the premises, and the application for the license shall not be considered a new application for a license if the total number of public licenses for consumption on the premises does not exceed the authorized total established in this act and the sale of alcoholic liquor is approved by the electors. The commission may divide the state into 3 zones and establish for each zone an anniversary date for renewal of full-year retail licenses in the licensing year. The commission shall promulgate rules pursuant to the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, for the effective administration of the renewal of licenses.
- (5) The commission, with the written approval of the department of agriculture and rural development for the Michigan state fairgrounds and the Upper Peninsula state fairgrounds, may issue without regard to the quota provision of section 531 a tavern license to a person as concessionaire leasing or renting a portion of either the Upper Peninsula state fairgrounds or the state fairgrounds, or both, to service the licensed area in use for recreational or exhibition purposes other than at the time of the annual Upper Peninsula state fair under section 2 of 1927 PA 89, MCL 285.142. A license issued under this subsection is not transferable.
- (6) The application for initial licensure or for a transfer of a license shall contain a notice in substantial compliance with the following:

When purchasing a license, a buyer can be held liable for tax debts incurred by the previous owner. Prior to committing to the purchase of any license or establishment, the buyer should request a tax clearance certificate from the seller that indicates that all taxes have been paid up to the date of issuance. Obtaining sound professional assistance from an attorney or accountant can be helpful to identify and avoid any pitfalls and hidden liabilities when buying even a portion of a business. Sellers can make a request for the tax clearance certificate through the Michigan department of treasury.

- (4) The commission may waive this section in the case of other classes of licenses. If an objection is not filed by the church or school, the commission may issue the license pursuant to this act. If an objection is filed, the commission shall hold a hearing pursuant to rules established by the commission before making a decision on the issuance of the license.

 - (t) Brandy manufacturer, \$100.00.
 - (u) Mixed spirit drink manufacturer, \$100.00.
 - (v) Brewpub, \$100.00.
 - (w) Class G-1, \$1,000.00.
 - (x) Class G-2, \$500.00.
 - (y) Motorsports event license, the amount as described and determined under section 518(2).
 - (z) Small distiller, \$100.00.
 - (aa) Wine auction license, \$50,000.00.
 - (bb) Nonpublic continuing care retirement center license, \$600.00.
 - (cc) Conditional license approved under subsection (5) and issued under subsection (6), \$300.00.
- (2) The fees provided in this act for the various types of licenses shall not be prorated for a portion of the effective period of the license. Notwithstanding subsection (1), the initial license fee for any licenses issued under section 531(3) or (4) is \$20,000.00. The renewal license fee shall be the amount described in subsection (1). However, the commission shall not impose the \$20,000.00 initial license fee for applicants whose license eligibility was already approved on July 20, 2005.
- (3) Except in the case of any resort or resort economic development license issued under section 531(2), (3), (4), or (5) or a license issued under section 521a, the commission shall issue an initial or renewal license not later than 90 days after the applicant files a completed application. The application is considered to be received the date the application is received by any agency or department of this state. If the commission determines that an application is incomplete, the commission shall notify the applicant in writing, or make the information electronically available, within 30 days after receipt of the incomplete application, describing the deficiency and requesting the additional information. The determination of the completeness of an application is not an approval of the application for the license and does not confer eligibility upon an applicant determined otherwise ineligible for issuance of a license. The 90-day period is tolled for the following periods under any of the following circumstances:
- (a) If notice is sent by the commission of a deficiency in the application, until the date all of the requested information is received by the commission.
 - (b) For the time required to complete actions required by a person, other than the applicant or the commission, including, but not limited to, completion of construction or renovation of the licensed premises; mandated inspections by the commission or by any state, local, or federal agency; approval by the legislative body of a local unit of government; criminal history or criminal record checks; financial or court record checks; or other actions mandated by this act or rule or as otherwise mandated by law or local ordinance.
- (4) If the commission fails to issue or deny a license within the time required by this section, the commission shall return the license fee and shall reduce the license fee for the applicant's next renewal application, if any, by 15%. The failure to issue a license within the time required under this section does not allow the commission to otherwise delay the processing of the application, and that application, upon completion, shall be placed in sequence with other completed applications received at that same time. The commission shall not discriminate against an applicant in the processing of the application based upon the fact that the license fee was refunded or discounted under this subsection.
- (5) If, in addition to a completed application under this section, an applicant submits a separate form requesting a conditional license with an acceptable proof of financial responsibility form under section 803, and an executed property document, the commission shall, after considering the arrest and conviction records or previous violation history in the management, operation, or ownership of a licensed business, approve or deny a conditional license to any of the following:
- (a) An applicant seeking to transfer ownership of or interest in an existing license at the same location under subsection (3) to sell alcoholic liquor for consumption on or off the premises.

- (b) An applicant seeking an initial license under subsection (3), except for a specially designated distributor license or a license for the sale of alcoholic liquor for consumption on the premises.
- (6) The commission shall issue a conditional license to applicants approved under subsection (5) within 20 business days after receipt of a completed application and a completed conditional license request form and documentation for a conditional license at a single location. The commission may take up to 30 business days to issue conditional licenses to approved applicants seeking conditional licenses at multiple locations.
- (7) A conditional license approved under subsection (5) and issued under subsection (6) is nontransferable and nonrenewable. A conditional license approved under subsection (5) and issued under subsection (6) expires when the commission issues an order of denial of the license application that serves as the basis for the conditional license after all administrative remedies before the commission have been exhausted, expires 20 business days after the commission issues an order of approval of the license application that serves as the basis for the conditional license, expires when the licensee or conditional licensee notifies the commission in writing that the initial application should be canceled, or expires 1 year after the date the conditional license was issued, whichever occurs first. If a conditionally approved licensee fails to maintain acceptable proof of its financial responsibility, the commission shall, after due notice and proper hearing, suspend the conditional license until the licensee files an acceptable proof of financial responsibility form under section 803. If a conditional license is revoked, the conditional licensee shall not recover from a unit of local government any compensation for property, future income, or future economic loss due to the revocation.
- (8) Upon issuing a conditional license under subsection (6), the commission shall, until the conditional license expires under subsection (7), place an existing license under subsection (3) in escrow in compliance with R 436.1107 of the Michigan administrative code. If the conditional license expires because a transfer of an existing license was denied or because the license was not transferred within the 1-year period, an existing licensee may do 1 of the following:
 - (a) Request that the commission release the license from escrow.
 - (b) Keep the license in escrow. The escrow date for compliance with R 436.1107 of the Michigan administrative code shall be the date the conditional license expires.
- (9) The chair of the commission shall submit a report by December 1 of each year to the standing committees and appropriations subcommittees of the senate and house of representatives concerned with liquor license issues. The chair of the commission shall include all of the following information in the report concerning the preceding fiscal year:
 - (a) The number of initial and renewal applications the commission received and completed within the 90-day time period described in subsection (3).
 - (b) The number of applications denied.
 - (c) The number of applicants not issued a license within the 90-day time period and the amount of money returned to licensees under subsection (4).
- (10) As used in this section, "completed application" means an application complete on its face and submitted with any applicable licensing fees as well as any other information, records, approval, security, or similar item required by law or rule from a local unit of government, a federal agency, or a private entity but not from another department or agency of the state of Michigan.

Sec. 529.

- (1) A license or an interest in a license shall not be transferred from 1 person to another without the prior approval of the commission. For purposes of this section, the transfer in the aggregate to another person during any single licensing year of more than 10% of the outstanding stock of a licensed corporation or more than 10% of the total interest in a licensed limited partnership shall be considered to be a transfer requiring the prior approval of the commission.
- (2) Not later than July 1 of each year, each privately held licensed corporation and each licensed limited partnership shall notify the commission as to whether any of the shares of stock in the corporation, or interest in the limited partnership, have been transferred during the preceding licensing year. The commission may investigate the transfer of any number of shares of stock in a licensed corporation, or any amount of interest in a licensed limited partnership, for the purpose of ensuring compliance with this act and the rules promulgated under this act.

If a person holding more than 1 license or more than 1 interest in a license at more than 1 location, but in the name of a single legal entity, transfers all of the licenses or interests in licenses simultaneously to another single legal entity, the transfers shall be considered 1 transfer for purposes of determining a transfer fee, payable in an amount equal to the highest license fee provided in this act for any of the licenses, or interests in licenses, being transferred. A transfer fee shall not be required in regard to any of the following:
 - (a) The transfer, in the aggregate, of less than 50% of the outstanding shares of stock in a licensed corporation or less than 50% of the total interest in a licensed limited partnership during any licensing year.

An exchange under this subdivision shall not be considered an application for a license for the purposes of section 501.
 - (c) The transfer of the interest in a licensed business of a deceased licensee, a deceased stockholder, or a deceased member of a general or limited partnership to the deceased person's spouse or children.
 - (d) The removal of a member of a firm, a stockholder, a member of a general partnership or limited partnership, or association of licensees from a license.

436.1531 Public licenses and resort license; on-premises escrowed license; limitations and quotas; additional licenses for certain establishments; license for certain events at public university; outdoor stadium; economic development factors; exceptions as to certain veterans and airports; special state census of local governmental unit; rules; availability of transferable licenses held in escrow; on-premises escrowed or quota license; issuance of available licenses; report; hotels; escrowed specially designated distributor license; transfer; applicability of administrative rule; definitions.

Sec. 531.

- (1) A public license shall not be granted for the sale of alcoholic liquor for consumption on the premises in excess of 1 license for each 1,500 of population or major fraction thereof. An on-premises escrowed license issued under this subsection may be transferred, subject to local legislative approval under section 501(2), to an applicant whose proposed operation is located within any local governmental unit in a county in which the escrowed license was located. If the local governmental unit within which the former licensee's premises were located spans more than 1 county, an escrowed license may be transferred, subject to local legislative approval under section 501(2), to an applicant whose proposed operation is located within any local governmental unit in either county. If an escrowed license is activated within a local governmental unit other than that local governmental unit within which the escrowed license was originally issued, the commission shall count that activated license against the local governmental unit originally issuing the license. This quota does not bar the right of an existing licensee to renew a license or transfer the license and does not bar the right of an on-premises licensee of any class to reclassify to another class of on-premises license in a manner not in violation of law or this act, subject to the consent of the commission. The upgrading of a license resulting from a request under this subsection is subject to approval by the local governmental unit having jurisdiction.
- (2) In a resort area, the commission may issue no more than 550 licenses for a period not to exceed 12 months without regard to a limitation because of population and with respect to the resort license the commission, by rule, shall define and classify resort seasons by months and may issue 1 or more licenses for resort seasons without regard to the calendar year or licensing year.
- (3) In addition to the resort licenses authorized in subsection (2), the commission may issue not more than 5 additional licenses per year to establishments whose business and operation, as determined by the commission, is designed to attract and accommodate tourists and visitors to the resort area, whose primary purpose is not for the sale of alcoholic liquor, and whose capital investment in real

property, leasehold improvement, and fixtures for the premises to be licensed is \$75,000.00 or more. Further, the commission shall issue 1 license under this subsection per year to an applicant located in a rural area that has a poverty rate, as defined by the latest decennial census, greater than the statewide average, or that is located in a rural area that has an unemployment rate higher than the statewide average for 3 of the 5 preceding years. In counties having a population of less than 50,000, as determined by the last federal decennial census or as determined under subsection (11) and subject to subsection (16) in the case of a class A hotel or a class B hotel, the commission shall not require the establishments to have dining facilities to seat more than 50 persons. The commission may cancel the license if the resort is no longer active or no longer qualifies for the license. Before January 16 of each year the commission shall transmit to the legislature a report giving details as to all of the following:

- (a) The number of applications received under this subsection.
 - (b) The number of licenses granted and to whom.
 - (c) The number of applications rejected and the reasons they were rejected.
 - (d) The number of the licenses revoked, suspended, or other disciplinary action taken and against whom and the grounds for revocation, suspension, or disciplinary action.
- (4) In addition to any licenses for the sale of alcoholic liquor for consumption on the premises that may be available in the local governmental unit under subsection (1) and the resort licenses authorized in subsections (2) and (3), the commission may issue not more than 15 resort economic development licenses per year. A person is eligible to apply for a resort economic development license under this subsection upon submitting an application to the commission and demonstrating all of the following:
- (a) The establishment's business and operation, as determined by the commission, is designed to attract and accommodate tourists and visitors to the resort area.
 - (b) The establishment's primary business is not the sale of alcoholic liquor.
 - (c) The capital investment in real property, leasehold improvement, fixtures, and inventory for the premises to be licensed is in excess of \$1,500,000.00.
 - (d) The establishment does not allow or permit casino gambling on the premises.
- (5) In governmental units having a population of 50,000 or less, as determined by the last federal decennial census or as determined under subsection (11), in which the quota of specially designated distributor licenses, as provided by section 533, has been exhausted, the commission may issue not more than a total of 15 additional specially designated distributor licenses per year to established merchants whose business and operation, as determined by the commission, is designed to attract and accommodate tourists and visitors to the resort area. A specially designated distributor license issued under this subsection may be issued at a location within 2,640 feet of existing specially designated distributor license locations. A specially designated distributor license issued under this subsection shall not bar another specially designated distributor licensee from transferring location to within 2,640 feet of that licensed location. A specially designated distributor license issued under section 533 may be located within 2,640 feet of a specially designated distributor license issued under this subsection. The person signing the application for a specially designated distributor license under this subsection shall state that he or she attempted to secure an escrowed specially designated distributor license or quota license and that, to the best of his or her knowledge, an escrowed specially designated distributor license or quota license is not readily available within the county in which the applicant for the specially designated distributor license under this subsection proposes to operate.
- (6) In addition to any licenses for the sale of alcoholic liquor for consumption on the premises that may be available in the local governmental unit under subsection (1), and the resort or resort economic development licenses authorized in subsections (2), (3), and (4), and notwithstanding section 519, the commission may issue not more than 5 additional special purpose licenses in any calendar year for the sale of beer and wine for consumption on the premises. A special purpose license issued under this subsection shall be issued only for events that are to be held from May 1 to September 30, are artistic in nature, and that are to be held on the campus of a public university with an enrollment of 30,000 or more students. A special purpose license is valid for 30 days or for the duration of the event for which it is issued, whichever is less. The fee for a special purpose license is \$50.00. A special purpose license may be issued only to a corporation that meets all of the following requirements:
- (a) Is a nonprofit corporation organized under the nonprofit corporation act, 1982 PA 162, MCL 450.2101 to 450.3192.

- (b) Has a board of directors constituted of members of whom half are elected by the public university at which the event is scheduled and half are elected by the local governmental unit.
 - (c) Has been in continuous existence for not less than 6 years.
- (7) Notwithstanding the local legislative body approval provision of section 501(2) and notwithstanding the provisions of section 519, the commission may issue, without regard to the quota provisions of subsection (1) and with the approval of the governing board of the university, either a tavern or class C license which may be used only for regularly scheduled events at a public university's established outdoor program or festival at a facility on the campus of a public university having a head count enrollment of 10,000 students or more. A license issued under this subsection may only be issued to the governing board of a public university, a person that is the lessee or concessionaire of the governing board of the university, or both. A license issued under this subsection is not transferable as to ownership or location. Except as otherwise provided in this subsection, a license issued under this subsection may not be issued at an outdoor stadium customarily used for intercollegiate athletic events. A license may be issued at an outdoor stadium customarily used for intercollegiate athletic events for not more than 30 consecutive days to a concessionaire of an entity granted exclusive use of a public university's property in conjunction with a hockey game sanctioned by an unincorporated not-for-profit association that operates a major professional ice hockey league consisting of teams located in Canada and in the United States if the concessionaire has entered into an agreement granting it control of the licensed premises for the purposes of complying with this act and rules promulgated under this act regarding the sale of alcoholic liquor. A nationally televised game between 2 professional hockey teams played outdoors is considered an established outdoor program for the purposes of this subsection. Notwithstanding any provision of this act or any rule promulgated under this act, a concessionaire obtaining a license under this subsection may share the profits generated from that license with an unincorporated not-for-profit association that operates a major professional ice hockey league consisting of teams located in Canada and in the United States or an affiliated entity under a written contract reviewed by the commission. If the established outdoor program is a nationally televised game between 2 professional hockey teams, the commission may allow the promotion and advertising of alcoholic liquor brands on the campus of a public university where a concessionaire has been issued a license under this subsection for the duration of the license.
- (8) In issuing a resort or resort economic development license under subsection (3), (4), or (5), the commission shall consider economic development factors of the area in issuing licenses to establishments designed to stimulate and promote the resort and tourist industry. The commission shall not transfer a resort or resort economic development license issued under subsection (3), (4), or (5) to another location. If the licensee goes out of business the license shall be surrendered to the commission.
- (9) The limitations and quotas of this section are not applicable to issuing a new license to a veteran of the armed forces of the United States who was honorably discharged or released under honorable conditions from the armed forces of the United States and who had by forced sale disposed of a similar license within 90 days before or after entering or while serving in the armed forces of the United States, as a part of the person's preparation for that service if the application for a new license is submitted for the same governmental unit in which the previous license was issued and within 60 days after the discharge of the applicant from the armed forces of the United States.
- (10) The limitations and quotas of this section are not applicable to issuing a new license or renewing an existing license where the property or establishment to be licensed is situated in or on land on which an airport owned by a county or in which a county has an interest is situated.
- (11) For purposes of implementing this section a special state census of a local governmental unit may be taken at the expense of the local governmental unit by the federal bureau of census or the secretary of state under section 6 of the home rule city act, 1909 PA 279, MCL 117.6. The special census shall be initiated by resolution of the governing body of the local governmental unit involved. The secretary of state may promulgate additional rules necessary for implementing this section pursuant to the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328.
- (12) Before granting an approval as required in section 501(2) for a license to be issued under subsection (2), (3), or (4), a local legislative body shall disclose the availability of transferable licenses held in escrow for more than 1 licensing year within that respective local governmental unit. The local governmental unit shall provide public notice of the meeting to consider the granting of the license by the local governmental unit 2 weeks before the meeting.

- (13) The person signing the application for an on-premises resort or resort economic development license shall state and verify that he or she attempted to secure an on-premises escrowed license or quota license and that, to the best of his or her knowledge, an on-premises escrowed license or quota license is not readily available within the county in which the applicant for the on-premises resort or resort economic development license proposes to operate.
- (14) The commission shall not issue an on-premises resort or resort economic development license if the county within which the resort or resort economic development license applicant proposes to operate has not issued all on-premises licenses available under subsection (1) or if an on-premises escrowed license exists and is readily available within the local governmental unit in which the applicant for the on-premises resort or resort economic development license proposes to operate. The commission may waive the provisions of this subsection upon a showing of good cause.
- (15) The commission shall annually report to the legislature the names of the businesses issued licenses under this section and their locations.
- (16) The commission shall not require a class A hotel or a class B hotel licensed under subsection (2), (3), or (4) to provide food service to registered guests or to the public.
- (17) Subject to the limitation and quotas of subsection (1) and to local legislative approval under section 501(2), the commission may approve the transfer of ownership and location of an on-premises escrowed license within the same county to a class G-1 or class G-2 license or may approve the reclassification of an existing on-premises license at the location to be licensed to a class G-1 license or to a class G-2 license, subject to subsection (1). Resort or economic development on-premises licenses created under subsection (3) or (4) may not be issued as, or reclassified to, a class G-1 or class G-2 license.
- (18) An escrowed specially designated distributor license may be transferred, with the consent of the commission, to an applicant whose proposed operation is located within any local governmental unit in a county in which the specially designated distributor license is located. If the local governmental unit within which the escrowed specially designated distributor license is located spans more than 1 county, the license may be transferred to an applicant whose proposed operation is located within any local governmental unit in either county. If the specially designated distributor license is activated within a local governmental unit other than that local governmental unit within which the specially designated distributor license was originally issued, the commission shall count that activated license against the local governmental unit originally issuing the specially designated distributor license.
- (19) Subsection (8) of R 436.1135 of the Michigan administrative code does not apply to a transfer under subsection (8).
- (20) As used in this section:
- (a) "Escrowed license" means a license in which the rights of the licensee in the license or to the renewal of the license are still in existence and are subject to renewal and activation in the manner provided for in R 436.1107 of the Michigan administrative code.
 - (b) "Readily available" means available under a standard of economic feasibility, as applied to the specific circumstances of the applicant, that includes, but is not limited to, the following:
 - (i) The fair market value of the license, if determinable.
 - (ii) The size and scope of the proposed operation.
 - (iii) The existence of mandatory contractual restrictions or inclusions attached to the sale of the license.

436.1532 Issuance of club license; public notice; annual filing by club; conduct of club affairs and management.

Sec. 532.

- (1) A club license allows the licensee to sell, for consumption on the licensed premises, beer, wine, mixed spirit drink, and spirits only to bona fide members of the club who have attained the age of 21 years. Except as otherwise provided in subsection (2), the commission shall not issue a license to a club unless the club has been in existence for a period of not less than 2 years before the application for the license.

- (2) Public notice of the intent of the commission to issue the club license shall be given by publication in some newspaper published or in general circulation within the local governmental unit at least 10 days before the issuance of the license. A club that is a chapter of a national organization that has had a license for 10 or more years may apply for a license without a waiting period. Public notice of the commission's intent to renew the club license is not required.
- (3) Except in the case of a club paying a maximum fee, within 10 days after February 1 of each year the club shall file with the commission a list of names and residences of its members and make a similar filing of the name and residence with the commission within 10 days after the election of an additional member. Except as otherwise provided in subsection (2) and subject to subsections (4), (5), and (6), a person who knowingly sells or furnishes alcoholic liquor to a minor, or who fails to make diligent inquiry as to whether the person is a minor, is guilty of a misdemeanor. A retail licensee or a retail licensee's clerk, agent, or employee who violates this subsection shall be punished in the manner provided for licensees in section 909 except that if the violation is the result of an undercover operation in which the minor received alcoholic liquor under the direction of the state police, the commission, or a local police agency as part of an enforcement action, the retail licensee's clerk, agent, or employee is responsible for a state civil infraction and may be ordered to pay a civil fine of not more than \$100.00. Except as otherwise provided in subsection (2), a person who is not a retail licensee or a retail licensee's clerk, agent, or employee and who violates this subsection is guilty of a misdemeanor punishable by a fine of not more than \$1,000.00 and imprisonment for not more than 60 days for a first offense, a fine of not more than \$2,500.00 and imprisonment for not more than 90 days for a second or subsequent offense, and may be ordered to perform community service. For a second or subsequent offense, the secretary of state shall suspend the operator's or chauffeur's license of an individual who is not a retail licensee or retail licensee's clerk, agent, or employee and who is convicted of violating this subsection as provided in section 319 of the Michigan vehicle code, 1949 PA 300, MCL 257.319. A suitable sign describing the content of this section and the penalties for its violation shall be posted in a conspicuous place in each room where alcoholic liquor is sold. The signs shall be approved and furnished by the commission.
- (2) A person who is not a retail licensee or the retail licensee's clerk, agent, or employee and who violates subsection (1) is guilty of a felony, punishable by imprisonment for not more than 10 years or a fine of not more than \$5,000.00, or both, if the subsequent consumption of the alcoholic liquor by the minor is a direct and substantial cause of that person's death or an accidental injury that causes that person's death.
- (3) If a violation occurs in an establishment that is licensed by the commission for consumption of alcoholic liquor on the licensed premises, a person who is a licensee or the clerk, agent, or employee

- of a licensee shall not be charged with a violation of subsection (1) or section 801(2) unless the licensee or the clerk, agent, or employee of the licensee knew or should have reasonably known with the exercise of due diligence that a person less than 21 years of age possessed or consumed alcoholic liquor on the licensed premises and the licensee or clerk, agent, or employee of the licensee failed to take immediate corrective action.
- (4) If the enforcing agency involved in the violation is the state police or a local police agency, a licensee shall not be charged with a violation of subsection (1) or section 801(2) unless all of the following occur, if applicable:
- (a) Enforcement action is taken against the minor who purchased or attempted to purchase, consumed or attempted to consume, or possessed or attempted to possess alcoholic liquor.

However, subsection (4) does not apply if the minor against whom enforcement action is taken under section 703, the clerk, agent, or employee of the licensee who directly sold or furnished alcoholic liquor to the minor, or the person 21 years of age or older who sold or furnished alcoholic liquor to the minor is not alive or is not present in this state at the time the licensee is charged. Subsection (4)(a) does not apply under either of the following circumstances:
- (a) The violation of subsection (1) is the result of an undercover operation in which the minor purchased or received alcoholic liquor under the direction of the person's employer and with the prior approval of the local prosecutor's office as part of an employer-sponsored internal enforcement action.
 - (b) The violation of subsection (1) is the result of an undercover operation in which the minor purchased or received alcoholic liquor under the direction of the state police, the commission, or a local police agency as part of an enforcement action.
- (6) Any initial or contemporaneous purchase or receipt of alcoholic liquor by the minor under subsection (5)(a) or (b) must have been under the direction of the state police, the commission, or the local police agency and must have been part of the undercover operation.
- (7) If a minor participates in an undercover operation in which the minor is to purchase or receive alcoholic liquor under the supervision of a law enforcement agency, his or her parents or legal guardian shall consent to the participation if that person is less than 18 years of age.
- (8) In an action for the violation of this section, proof that the defendant or the defendant's agent or employee demanded and was shown, before furnishing alcoholic liquor to a minor, a motor vehicle operator's or chauffeur's license, a military identification card, or other bona fide documentary evidence of the age and identity of that person, shall be a defense to an action brought under this section.
- (9) The commission shall provide, on an annual basis, a written report to the department of state police as to the number of actions heard by the commission involving violations of this section and section 801(2). The report shall include the disposition of each action and contain figures representing the following categories:

Corrective action includes, but is not limited to, contacting a law enforcement agency and ejecting the minor and any other person suspected of aiding and abetting the minor.

- (b) "Diligent inquiry" means a diligent good faith effort to determine the age of a person, which includes at least an examination of an official Michigan operator's or chauffeur's license, an official Michigan personal identification card, a military identification card, or any other bona fide picture identification which establishes the identity and age of the person.

- (a) For the first violation by a fine of not more than \$100.00. A court may order a minor under this subdivision to participate in substance abuse prevention services or substance abuse treatment and rehabilitation services as defined in section 6107 of the public health code, 1978 PA 368, MCL 333.6107, and designated by the administrator of the office of substance abuse services, and may order that minor to perform community service and to undergo substance abuse screening and assessment at his or her own expense as described in subsection (5).
 - (b) For a second violation of this subsection, section 33b(1) of former 1933 (Ex Sess) PA 8, or a local ordinance substantially corresponding to this subsection or section 33b(1) of former 1933 (Ex Sess) PA 8, by imprisonment for not more than 30 days but only if the court finds that the minor violated an order of probation, failed to successfully complete any treatment, screening, or community service ordered by the court, or failed to pay any fine for that conviction or juvenile adjudication, by a fine of not more than \$200.00, or both. A court may order a minor under this subdivision to participate in substance abuse prevention services or substance abuse treatment and rehabilitation services as defined in section 6107 of the public health code, 1978 PA 368, MCL 333.6107, and designated by the administrator of the office of substance abuse services, to perform community service, and to undergo substance abuse screening and assessment at his or her own expense as described in subsection (5).
 - (c) For a third or subsequent violation of this subsection, section 33b(1) of former 1933 (Ex Sess) PA 8, or a local ordinance substantially corresponding to this subsection or section 33b(1) of former 1933 (Ex Sess) PA 8, by imprisonment for not more than 60 days but only if the court finds that the minor violated an order of probation, failed to successfully complete any treatment, screening, or community service ordered by the court, or failed to pay any fine for that conviction or juvenile adjudication, a fine of not more than \$500.00, or both. - (3) When an individual who has not previously been convicted of or received a juvenile adjudication for a violation of subsection (1) pleads guilty to a violation of subsection (1) or offers a plea of admission in

a juvenile delinquency proceeding for a violation of subsection (1), the court, without entering a judgment of guilt in a criminal proceeding or a determination in a juvenile delinquency proceeding that the juvenile has committed the offense and with the consent of the accused, may defer further proceedings and place the individual on probation. The terms and conditions of that probation include, but are not limited to, the sanctions set forth in subsection (1)(a), payment of the costs including minimum state cost as provided for in section 18m of chapter XIA of the probate code of 1939, 1939 PA 288, MCL 712A.18m, and section 1j of chapter IX of the code of criminal procedure, 1927 PA 175, MCL 769.1j, and the costs of probation as prescribed in section 3 of chapter XI of the code of criminal procedure, 1927 PA 175, MCL 771.3. If a court finds that an individual violated a term or condition of probation or that the individual is utilizing this subsection in another court, the court may enter an adjudication of guilt, or a determination in a juvenile delinquency proceeding that the individual has committed the offense, and proceed as otherwise provided by law. If an individual fulfills the terms and conditions of probation, the court shall discharge the individual and dismiss the proceedings. Discharge and dismissal under this section shall be without adjudication of guilt or without a determination in a juvenile delinquency proceeding that the individual has committed the offense and is not a conviction or juvenile adjudication for purposes of disqualifications or disabilities imposed by law upon conviction of a crime. An individual may obtain only 1 discharge and dismissal under this subsection. The court shall maintain a nonpublic record of the matter while proceedings are deferred and the individual is on probation and if there is a discharge and dismissal under this subsection. The secretary of state shall retain a nonpublic record of a plea and of the discharge and dismissal under this subsection. These records shall be furnished to any of the following:

- (a) To a court, prosecutor, or police agency upon request for the purpose of determining if an individual has already utilized this subsection.
 - (b) To the department of corrections, a prosecutor, or a law enforcement agency, upon the department's, a prosecutor's, or a law enforcement agency's request, subject to all of the following conditions:
 - (i) At the time of the request, the individual is an employee of the department of corrections, the prosecutor, or the law enforcement agency, or an applicant for employment with the department of corrections, the prosecutor, or the law enforcement agency.
 - (ii) The record is used by the department of corrections, the prosecutor, or the law enforcement agency only to determine whether an employee has violated his or her conditions of employment or whether an applicant meets criteria for employment.
- (4) A violation of subsection (1) successfully deferred, discharged, and dismissed under subsection (3) is considered a prior violation for the purposes of subsection (1)(b) and (c).
 - (5) A court may order an individual convicted of violating subsection (1) to undergo screening and assessment by a person or agency as designated by the substance abuse coordinating agency as defined in section 6103 of the public health code, 1978 PA 368, MCL 333.6103, in order to determine whether the individual is likely to benefit from rehabilitative services, including alcohol or drug education and alcohol or drug treatment programs. A court may order an individual subject to a conviction or juvenile adjudication of, or placed on probation regarding, a violation of subsection (1) to submit to a random or regular preliminary chemical breath analysis. The parent, guardian, or custodian of a minor under 18 years of age not emancipated under 1968 PA 293, MCL 722.1 to 722.6, may request a random or regular preliminary chemical breath analysis as part of the probation.
 - (6) The secretary of state shall suspend the operator's or chauffeur's license of an individual convicted of violating subsection (1) or (2) as provided in section 319 of the Michigan vehicle code, 1949 PA 300, MCL 257.319.
 - (7) A peace officer who has reasonable cause to believe a minor has consumed alcoholic liquor or has any bodily alcohol content may require that individual to submit to a preliminary chemical breath analysis. A peace officer may arrest an individual based in whole or in part upon the results of a preliminary chemical breath analysis. The results of a preliminary chemical breath analysis or other acceptable blood alcohol test are admissible in a criminal prosecution to determine whether the minor has consumed or possessed alcoholic liquor or had any bodily alcohol content. A minor who refuses to submit to a preliminary chemical breath test analysis as required in this subsection is responsible for a state civil infraction and may be ordered to pay a civil fine of not more than \$100.00.

- (8) A law enforcement agency, upon determining that an individual less than 18 years of age who is not emancipated under 1968 PA 293, MCL 722.1 to 722.6, allegedly consumed, possessed, purchased alcoholic liquor, attempted to consume, possess, or purchase alcoholic liquor, or had any bodily alcohol content in violation of subsection (1) shall notify the parent or parents, custodian, or guardian of the individual as to the nature of the violation if the name of a parent, guardian, or custodian is reasonably ascertainable by the law enforcement agency. The law enforcement agency shall notify the parent, guardian, or custodian not later than 48 hours after the law enforcement agency determines that the individual who allegedly violated subsection (1) is less than 18 years of age and not emancipated under 1968 PA 293, MCL 722.1 to 722.6. The law enforcement agency may notify the parent, guardian, or custodian by any means reasonably calculated to give prompt actual notice including, but not limited to, notice in person, by telephone, or by first-class mail. If an individual less than 17 years of age is incarcerated for violating subsection (1), his or her parents or legal guardian shall be notified immediately as provided in this subsection.
- (9) This section does not prohibit a minor from possessing alcoholic liquor during regular working hours and in the course of his or her employment if employed by a person licensed by this act, by the commission, or by an agent of the commission, if the alcoholic liquor is not possessed for his or her personal consumption.
- (10) The following individuals are not considered to be in violation of subsection (1):
- i. A minor who has consumed alcoholic liquor and who voluntarily presents himself or herself to a health facility or agency for treatment or for observation including, but not limited to, medical examination and treatment for any condition arising from a violation of sections 520b to 520g of the Michigan penal code, 1931 PA 328, MCL 750.520b to 750.520g, committed against a minor.

 - iii. A minor who initiates contact with a peace officer or emergency medical services personnel for the purpose of obtaining medical assistance for a legitimate health care concern.
- (11) If a minor under the age of 18 who is not emancipated under 1968 PA 293, MCL 722.1 to 722.6, voluntarily presents himself or herself to a health facility or agency for treatment or for observation as provided under subsection (10), the health facility or agency shall notify the parent or parents, guardian, or custodian of the individual as to the nature of the treatment or observation if the name of a parent, guardian, or custodian is reasonably ascertainable by the health facility or agency.
- (12) This section does not limit the civil or criminal liability of a vendor or the vendor's clerk, servant, agent, or employee for a violation of this act.
- (13) The consumption of alcoholic liquor by a minor who is enrolled in a course offered by an accredited postsecondary educational institution in an academic building of the institution under the supervision of a faculty member is not prohibited by this act if the purpose of the consumption is solely educational and is a requirement of the course.
- (14) The consumption by a minor of sacramental wine in connection with religious services at a church, synagogue, or temple is not prohibited by this act.
- (15) Subsection (1) does not apply to a minor who participates in either or both of the following:
- (a) An undercover operation in which the minor purchases or receives alcoholic liquor under the direction of the person's employer and with the prior approval of the local prosecutor's office as part of an employer-sponsored internal enforcement action.
 - (b) An undercover operation in which the minor purchases or receives alcoholic liquor under the direction of the state police, the commission, or a local police agency as part of an enforcement action unless the initial or contemporaneous purchase or receipt of alcoholic liquor by the minor was not under the direction of the state police, the commission, or the local police agency and was not part of the undercover operation.
- (16) The state police, the commission, or a local police agency shall not recruit or attempt to recruit a minor for participation in an undercover operation at the scene of a violation of subsection (1), section 701(1), or section 801(2).

(17) In a criminal prosecution for the violation of subsection (1) concerning a minor having any bodily alcohol content, it is an affirmative defense that the minor consumed the alcoholic liquor in a venue or location where that consumption is legal.

(18) As used in this section:

- i. "Any bodily alcohol content" means either of the following:
 1. An alcohol content of 0.02 grams or more per 100 milliliters of blood, per 210 liters of breath, or per 67 milliliters of urine.

CHAPTER 8

436.1801 Granting or renewing license; surety; selling, furnishing, or giving alcoholic liquor to minor or to person visibly intoxicated; right of action for damage or personal injury; actual damages; institution of action; notice; survival of action; general reputation as evidence of relation; separate actions by parents; commencement of action against retail licensee; indemnification; defenses available to licensee; rebuttable presumption; prohibited causes of action; section as exclusive remedy for money damages against licensee; civil action subject to revised judicature act.

Sec. 801.

- (1) Except as otherwise provided in this act, before the approval and granting, or renewal, of a license, the following licensees or applicants for that license shall make, execute, and deliver to the commission a bond executed by a surety company authorized to do business in the state or, in the discretion of the commission, by approved personal surety running to the people of the state, in the following amounts:
 - (a) A manufacturer of beer, a manufacturer of wine, a mixed spirit drink manufacturer, an outstate seller of beer, an outstate seller of mixed spirit drink, and an outstate seller of wine, a bond in an amount equal to 1/12 of the total beer, mixed spirit drink, or wine excise taxes paid to the state in the last calendar year or a bond in the sum of \$1,000.00, whichever is greater, for the faithful performance of the conditions of the license issued and for compliance with this act. A surety shall not cancel a bond issued under this subdivision except upon 30 days' written notice to the commission.

- (b) A special license authorizing the sale of beer, mixed spirit drink, wine, or spirits for consumption on the premises, a bond in the sum of \$1,000.00. A bond issued under this subdivision shall remain in effect for 60 days after the expiration of the special license. A bond is not required for a church or school.
- (2) A retail licensee shall not directly, individually, or by a clerk, agent, or servant sell, furnish, or give alcoholic liquor to a minor except as otherwise provided in this act. A retail licensee shall not directly or indirectly, individually or by a clerk, agent, or servant sell, furnish, or give alcoholic liquor to a person who is visibly intoxicated.
 - (3) Except as otherwise provided in this section, an individual who suffers damage or who is personally injured by a minor or visibly intoxicated person by reason of the unlawful selling, giving, or furnishing of alcoholic liquor to the minor or visibly intoxicated person, if the unlawful sale is proven to be a proximate cause of the damage, injury, or death, or the spouse, child, parent, or guardian of that individual, shall have a right of action in his or her name against the person who by selling, giving, or furnishing the alcoholic liquor has caused or contributed to the intoxication of the person or who has caused or contributed to the damage, injury, or death. In an action pursuant to this section, the plaintiff shall have the right to recover actual damages in a sum of not less than \$50.00 in each case in which the court or jury determines that intoxication was a proximate cause of the damage, injury, or death.
 - (4) An action under this section shall be instituted within 2 years after the injury or death. A plaintiff seeking damages under this section shall give written notice to all defendants within 120 days after entering an attorney-client relationship for the purpose of pursuing a claim under this section. Failure to give written notice within the time specified shall be grounds for dismissal of a claim as to any defendants that did not receive that notice unless sufficient information for determining that a retail licensee might be liable under this section was not known and could not reasonably have been known within the 120 days. In the event of the death of either party, the right of action under this section shall survive to or against his or her personal representative. In each action by a husband, wife, child, or parent, the general reputation of the relation of husband and wife or parent and child shall be prima facie evidence of the relation, and the amount recovered by either the husband, wife, parent, or child shall be his or her sole and separate property. The damages, together with the costs of the action, shall be recovered in an action under this section. If the parents of the individual who suffered damage or who was personally injured are entitled to damages under this section, the father and mother may sue separately, but recovery by 1 is a bar to action by the other.
 - (5) An action under this section against a retail licensee shall not be commenced unless the minor or the alleged intoxicated person is a named defendant in the action and is retained in the action until the litigation is concluded by trial or settlement.
 - (6) Any licensee subject to the provisions of subsection (3) regarding the unlawful selling, furnishing, or giving of alcoholic liquor to a visibly intoxicated person shall have the right to full indemnification from the alleged visibly intoxicated person for all damages awarded against the licensee.
 - (7) All defenses of the alleged visibly intoxicated person or the minor shall be available to the licensee. In an action alleging the unlawful sale of alcoholic liquor to a minor, proof that the defendant retail licensee or the defendant's agent or employee demanded and was shown a Michigan driver license or official state personal identification card, appearing to be genuine and showing that the minor was at least 21 years of age, shall be a defense to the action.
 - (8) There shall be a rebuttable presumption that a retail licensee, other than the retail licensee who last sold, gave, or furnished alcoholic liquor to the minor or the visibly intoxicated person, has not committed any act giving rise to a cause of action under subsection (3).
 - (9) The alleged visibly intoxicated person shall not have a cause of action pursuant to this section and a person shall not have a cause of action pursuant to this section for the loss of financial support, services, gifts, parental training, guidance, love, society, or companionship of the alleged visibly intoxicated person.
 - (10) This section provides the exclusive remedy for money damages against a licensee arising out of the selling, giving, or furnishing of alcoholic liquor to a minor or intoxicated person.

- (11) Except as otherwise provided for under this section and section 815, a civil action under subsection (3) against a retail licensee shall be subject to the revised judicature act of 1961, 1961 PA 236, MCL 600.101 to 600.9947.

CHAPTER 9

436.1901 Compliance required; prohibited acts.

Sec. 901.

- (1) A person, directly or indirectly, himself or herself or by his or her clerk, agent, or employee, shall not manufacture, manufacture for sale, sell, offer or keep for sale, barter, furnish, import, import for sale, transport for hire, transport, or possess any alcoholic liquor unless the person complies with this act.
- (2) A licensee shall not allow unlawful gambling on the licensed premises and shall not allow on the licensed premises any gaming devices prohibited by law.
- (3) A licensee shall not sell, offer or keep for sale, furnish, possess, or allow a customer to consume alcoholic liquor that is not authorized by the license issued to the licensee by the commission.
- (4) A person, whether or not a licensee, shall not sell, deliver, or import spirits unless the sale, delivery, or importation is made by the commission, the commission's authorized agent or distributor, an authorized distribution agent certified by order of the commission, a person licensed by the commission, or by prior written order of the commission. A person who violates this subsection is subject to the sanctions and penalties contained in section 909(4) and, in the case of a violation of section 909(4)(a), is subject to forfeiture of proceeds or an instrumentality as provided for in chapter XXVA of the Michigan penal code, 1931 PA 328, MCL 750.159f to 750.159x.
- (5) A licensee shall not sell or furnish alcoholic liquor to a person who maintains, operates, or leases premises that are not licensed by the commission and upon which other persons unlawfully engage in the sale or consumption of alcoholic liquor for consideration as prohibited by section 913.
- (6) A retail licensee shall not, on his or her licensed premises, sell, offer for sale, accept, furnish, possess, or allow the consumption of alcoholic liquor that has not been purchased by the retail licensee from the commission, the commission's authorized agent or distributor, an authorized distribution agent certified by order of the commission, or a licensee of the commission authorized to sell that alcoholic liquor to a retail licensee. This subsection does not apply to the consumption of alcoholic liquor in the bedrooms or suites of registered guests of licensed hotels or in the bedrooms or suites of bona fide members of licensed clubs.

436.1903 Suspension or revocation of license; violation of act or rules; penalty; disposition; hearing; procedure; fee; right of appeal; institution of criminal prosecutions; defense; rules; appointment of agents to hear violation cases; authority and responsibility; ineligibility of designated agent for appointment to commission.

Sec. 903.

- (1) The commission or any commissioner or duly authorized agent of the commission designated by the chairperson of the commission, upon due notice and proper hearing, may suspend or revoke any license upon a violation of this act or any of the rules promulgated by the commission under this act. The commission or any commissioner or duly authorized agent of the commission designated by the chairperson of the commission, may assess a penalty of not more than \$300.00 for each violation of this act or rules promulgated under this act, or not more than \$1,000.00 for each violation of section 801(2), in addition to or in lieu of revocation or suspension of the license, which penalty shall be paid to the commission and deposited with the state treasurer and shall be credited to the general fund of the state. The commission shall hold a hearing and order the suspension or revocation of a license if the licensee has been found liable for 3 or more separate violations of section 801(2) which violations occurred on different occasions within a 24-month period unless such violations for the sale, furnishing, or giving alcoholic liquor to a minor were discovered by the licensee and disclosed to an appropriate law enforcement agency immediately upon discovery. A retail licensee who sells, offers to sell, accepts, furnishes, possesses, or allows the consumption of spirits in violation of section 901(6)

is subject to an administrative fine of not more than \$2,500.00 per occurrence and the following license sanctions after notice and opportunity for an administrative hearing under the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328:

- (a) For a first violation, a license revocation or suspension for between 1 and 30 days.
 - (b) For a second violation, a license revocation or suspension for between 31 and 90 days.
 - (c) For a third or subsequent violation, revocation of the license.
- (2) The commission shall provide a procedure by which a licensee who is aggrieved by any penalty imposed under subsection (1) and any suspension or revocation of a license ordered by the commission, a commissioner, or a duly authorized agent of the commission may request a hearing for the purpose of presenting any facts or reasons to the commission as to why the penalty, suspension, or revocation should be modified or rescinded. Any such request shall be in writing and accompanied by a fee of \$25.00. The commission, after reviewing the record made before a commissioner or a duly authorized agent of the commission, may allow or refuse to allow the hearing in accordance with the commission's rules. The right to a hearing provided in this subsection, however, shall not be interpreted by any court as curtailing, removing, or annulling the right of the commission to suspend or revoke licenses as provided for in this act. A licensee does not have a right of appeal from the final determination of the commission, except by leave of the circuit court. Notice of the order of suspension or revocation of a license or of the assessment of a penalty, or both, shall be given in the manner prescribed by the commission. The suspension or revocation of a license or the assessment of a penalty, or both, by the commission or a duly authorized agent of the commission does not prohibit the institution of a criminal prosecution for a violation of this act. The institution of a criminal prosecution for a violation of this act or the acquittal or conviction of a person for a violation of this act does not prevent the suspension or revocation of a license or the assessment of a penalty, or both, by the commission. In a hearing for the suspension or revocation of a license issued under this act, proof that the defendant licensee or an agent or employee of the licensee demanded and was shown, before furnishing any alcoholic liquor to a minor, a motor vehicle operator or chauffeur license or a registration certificate issued by the federal selective service, or other bona fide documentary evidence of majority and identity of the person, may be offered as evidence in a defense to a proceeding for the suspension or revocation of a license issued under this act. A licensee who has reason to believe that a minor has used fraudulent identification to purchase alcoholic liquor in violation of section 703 shall file a police report concerning the violation with a local law enforcement agency and shall also present the alleged fraudulent identification to the local law enforcement agency at the time of filing the report if the identification is in the possession of the licensee. The commission may promulgate rules pursuant to the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, regarding the utilization by licensees of equipment designed to detect altered or forged driver licenses, state identification cards, and other forms of identification.
- (3) In addition to the hearing commissioners provided for in section 209, the chairperson of the commission may designate not more than 2 duly authorized agents to hear violation cases. A person appointed under this subsection shall be a member in good standing of the state bar of Michigan.
- (4) A duly authorized agent who has been designated by the chairperson pursuant to subsection (3) shall have, in the hearing of violation cases, the same authority and responsibility as does a hearing commissioner under this act and the rules promulgated under this act.
- (5) A duly authorized agent who has been designated by the chairperson pursuant to subsection (3) shall be ineligible for appointment to the commission for a period of 1 year after the person ceases to serve as a duly authorized agent.

- (2) A person may transport or possess alcoholic liquor in a container that is open or uncapped or upon which the seal is broken within the passenger area of a vehicle upon a highway or other place open to the general public or generally accessible to motor vehicles, including an area designated for the parking of vehicles in this state, if the vehicle does not have a trunk or compartment separate from the passenger area, and the container is in a locked glove compartment, behind the last upright seat, or in an area not normally occupied by the operator or a passenger.
- (3) A person who violates this section is guilty of a misdemeanor. As part of the sentence, the person may be ordered to perform community service and undergo substance abuse screening and assessment at his or her own expense as described in section 703(1) of the Michigan liquor control code of 1998, 1998 PA 58, MCL 436.1703. 257.624b Transport or possession of alcoholic liquor by person less than 21 years of age.

Sec. 624b.

- (1) A person less than 21 years of age shall not knowingly transport or possess alcoholic liquor in a motor vehicle as an operator or occupant unless the person is employed by a licensee under the Michigan liquor control code of 1998, 1998 PA 58, MCL 436.1101 to 436.2303, a common carrier designated by the liquor control commission under the Michigan liquor control code of 1998, 1998 PA 58, MCL 436.1101 to 436.2303, the liquor control commission, or an agent of the liquor control commission and is transporting or having the alcoholic liquor in a motor vehicle under the person's control during regular working hours and in the course of the person's employment. This section does not prevent a person less than 21 years of age from knowingly transporting alcoholic liquor in a motor vehicle if a person at least 21 years of age is present inside the motor vehicle. A person who violates this subsection is guilty of a misdemeanor. As part of the sentence, the person may be ordered to perform community service and undergo substance abuse screening and assessment at his or her own expense as described in section 703(1) of the Michigan liquor control code of 1998, 1998 PA 58, MCL 436.1703.
- (2) Within 30 days after the conviction for a violation of subsection (1) by the operator of a motor vehicle, which conviction has become final, the arresting law enforcement officer or the officer's

superior may make a complaint before the court from which the warrant was issued. The complaint shall be under oath and shall describe the motor vehicle in which alcoholic liquor was possessed or transported by the operator, who is less than 21 years of age, in committing the violation and requesting that the motor vehicle be impounded as provided in this section. Upon the filing of the complaint, the court shall issue to the owner of the motor vehicle an order to show cause why the motor vehicle should not be impounded. The order to show cause shall fix a date and time for a hearing, which shall not be less than 10 days after the issuance of the order. The order shall be served by delivering a true copy to the owner not less than 3 full days before the date of hearing or, if the owner cannot be located, by sending a true copy by certified mail to the last known address of the owner. If the owner is a nonresident of the state, service may be made upon the secretary of state as provided in section 403.

- (3) If the court determines upon the hearing of the order to show cause, from competent and relevant evidence, that at the time of the commission of the violation the motor vehicle was being driven by the person less than 21 years of age with the express or implied consent or knowledge of the owner in violation of subsection (1), and that the use of the motor vehicle is not needed by the owner in the direct pursuit of the owner's employment or the actual operation of the owner's business, the court may authorize the impounding of the vehicle for a period of not less than 15 days or more than 30 days. The court's order authorizing the impounding of the vehicle shall authorize a law enforcement officer to take possession without other process of the motor vehicle wherever located and to store the vehicle in a public or private garage at the expense and risk of the owner of the vehicle. The owner of the vehicle may appeal the order to the circuit court and the provisions governing the taking of appeals from judgments for damages apply to the appeal. This section does not prevent a bona fide lienholder from exercising rights under a lien.
- (4) A person who knowingly transfers title to a motor vehicle for the purpose of avoiding this section is guilty of a misdemeanor.
- (5) A law enforcement agency, upon determining that a person less than 18 years of age allegedly violated this section, shall notify the parent or parents, custodian, or guardian of the person as to the nature of the violation if the name of a parent, guardian, or custodian is reasonably ascertainable by the law enforcement agency. The notice required by this subsection shall be made not later than 48 hours after the law enforcement agency determines that the person who allegedly violated this section is less than 18 years of age and may be made in person, by telephone, or by first-class mail.
